

ISKCON MINISTRY OF COW PROTECTION & AGRICULTURE [GUIDELINES]

GBC Resolution 2019

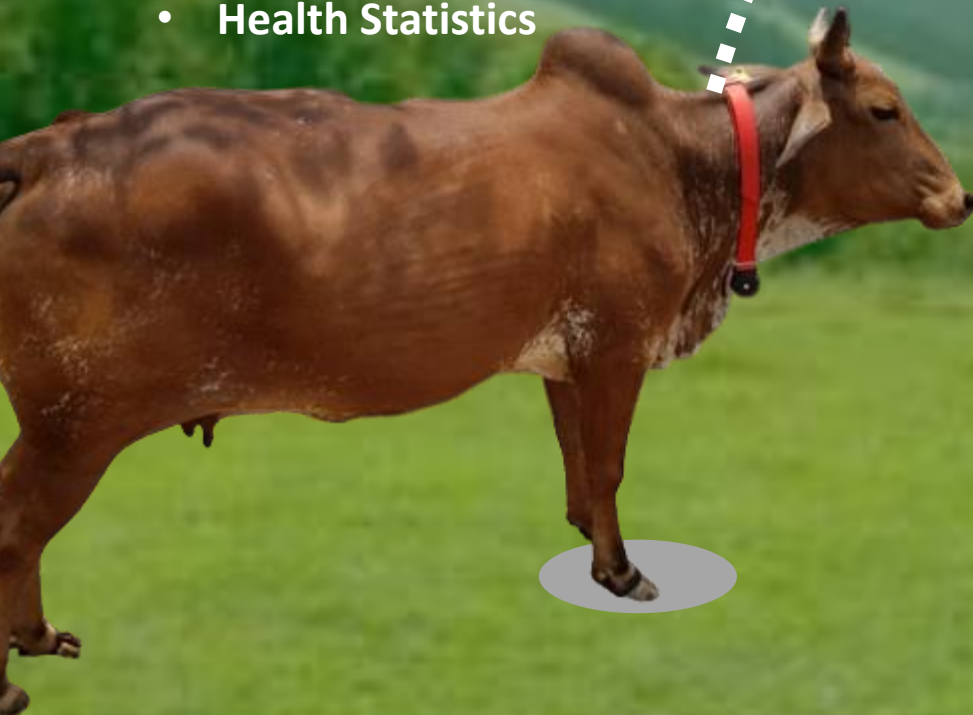

By Janmastami 2022 all ISKCON centers should develop a plan whereby **all milk and milk products— butter, ghee, yogurt etc. — offered to the deities are procured from protected cows.** The centers may approach the International Ministry of Cow Protection for assistance.

Integrating AI/ML-based Cow Tagging Technology For Cow Health Monitoring & Lifelong Tracking

Neck Collar Monitors

- Daily Rumination
- Eating Pattern
- Stress Levels
- Behavioral Changes
- Health Statistics
