TOVP YAJNA SHALA | THE ETERNAL FLAME

THE NEXT MILESTONE

On February 11, 2026 the TOVP will reach its next milestone: the Grand Opening of the Yajna Shala in the TOVP Gardens. Constructed of granite, marble and brick, this ornate and beautifully designed structure will house an enormous Yajna Peeta (sacrificial fire arena) wherein daily yajnas to the Lord will continue in perpetuity. These daily yajnas started in 1986 in the Mayapur Lotus Garden, moved to the Gurukula, and will now permanently be performed in the TOVP Yajna Shala.

60ft/18mL x 60ft/18mW x 30ft/8mH in size, the marble and granite structure will be surrounded by a picturesque water channel, beautiful foliage and gardens, pleasant walkways, and an

elaborate foot wash area. As you enter the teakwood door entranceways, your eyes will behold forty-four marble stambhas or pillars situated around the immense 7ft/2m x 7ft/2m Yajna Peeta (arena) with its interior Yajna Kunda (fireplace) with gold, silver and copper border and Cakra, Kalash and Dwaja decorations, along with two sacred mandalas.

Daily yajnas for the Lord's pleasure will take place inside the TOVP Yajna Shala as an eternal fire of sacrifice, all for the upliftment of devotees, the spiritualization of the people of the world, the success of the sankirtan movement, and the protection of Srila Prabhupada's ISKCON.
